

Manufacturer:

Pulse-Eight Limited, 8-12 Alder Hills, Poole, BH12 4AL, United Kingdom

Restriction of the use of certain Hazardous Substances (RoHS)

All Pulse-Eight Limited products conform to the Directive (EU) 2015/863 amendment of the RoHS 3 DIRECTIVE 2011/65/EU, RoHS Recast, Article 4(1): and do not contain any of the below mentioned 10 Hazardous substances above the specified limits.

Confirmation of compliance status by our suppliers is either because the products do not contain any of the restricted substances referred to in Article 4(1) of the RoHS Directive at concentrations in excess of those permitted under the RoHS Directive or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular applications listed in the Annex to the RoHS Directive.

For these purposes, the maximum concentration values of the restricted substances by weight in homogenous materials are:

- Cadmium (Cd): 0.01%
- Mercury: 0.1%
- Lead (Pb): 0.1%
- Hexavalent chromium (Cr6+): 0.1%
- Polybrominated biphenyls (PBB): 0.1%
- Bis(2-Ethylhexyl) phthalate (DEHP): 0.1% (added in 2015)
- Benzyl butyl phthalate (BBP): 0.1% (added in 2015)
- Dibutyl phthalate (DBP): 0.1% (added in 2015)
- Diisobutyl phthalate (DIBP): 0.1% (added in 2015)
- Polybrominated Diphenyle Ethers (PBDE) (0.1%)

Pulse-Eight takes all reasonable steps to confirm suppliers' statements regarding the absence of the restricted substances and maintains a full audit trail of relevant documentation to support this.

Generated for, personal to and only to be relied on by the purchaser of the above product from Pulse-Eight.
